

Mount Carleton Provincial Park officially opened May 15th and the camp ground is open as well.

The Visitor Centre is the first building you will encounter upon your arrival at the park.

Open from 8 a.m. to 8 p.m. every day of the week, visitors may purchase their camping permits, firewood, and fishing licenses from this location.

The Visitor Centre has a number of exhibits featuring the major ecosystems found in the park as well as one on how the park has been used by humans throughout history.

The park staff will be pleased to answer your questions about the park in the official language of your choice. Local weather forecasts may also be obtained here.
